

Hi Tom! I hope you are doing well during all of this. Being home I have had a lot of time to think and contemplate theater ideas and I believe I am ready to offer a summer camp. Of course I work for the state so it would have to be in the evenings. I am thinking 2 straight weeks from 5-8pm with Saturday rehearsal from 10am-2pm at some point in the summer. Kids involved will be 9 and up with a cap at 20 kids. We have several volunteers who are interested in helping. Would players be interested in allowing us to use the space? If all slots get filled we could pay \$1000. We would be working towards a 30 minute production of Alice in wonderland and would probably perform this at Marva theater or on another small stage here in town. I know this will probably be something to be discussed at a board meeting but I know in the past at one of the meetings a kids summer camp was something that was briefly mentioned to me. Anyway I am thinking out loud right now and was hoping to hear your thoughts and ideas.
